

Call for Participation

We invite you to join us in **6th International Conference on Bioscience & Engineering (BIOSE 2023)**

This conference will provide an excellent international forum for sharing knowledge and results in theory, methodology and applications impacts and challenges of Bioscience and Engineering. The conference documents practical and theoretical results which make a fundamental contribution for the development of Bioscience and Engineering.

Highlights of BIOSE 2023 include:

- 6th International Conference on Electrical Engineering (ELEN 2023)
- 6th International Conference of Advances in Materials Science and Engineering (MATE 2023)
- 6th International Conference on Mechanical Engineering (MEN 2023)
