

Call for Participation

We invite you to join us in **International Conference on Education & Technology (EDUT 2023)**

This conference will act as a major forum for the presentation of innovative ideas, approaches, developments, and research projects in the areas of Education and Technology. It also aims to provide a platform for exchanging ideas in new emerging trends that needs more focus and exposure and will attempt to publish proposals that strengthen our goals.

Highlights of EDUT 2023 include:

- International Conference on Computer Science and Software Engineering (CSSE 2023)
- International Conference on Embedded Systems and VLSI (EMVL 2023)
- International Conference on Security & Applications (SECURA 2023)
- International Conference on Managing Value, Supply Chains and Public Sector Information Technology (MVSCIT 2023)
- International Conference on Artificial Intelligence and IoT (AIIoT 2023)
- International Conference on NLP & Signal Processing (NLPSIG 2023)
