

Call for Participation

We invite you to join us in **International Conference on Managing Value, Supply Chains and Public Sector Information Technology (MVSCIT 2023)**. This conference provides a platform to disseminate new ideas and new research, advance theories, and propagate best practices in the management of value, supply chain management and Public Sector Information Technology, looking across both product and service-based businesses..

Highlights of MVSCIT 2023 include:

- International Conference on Computer Science and Software Engineering (CSSE 2023)
- International Conference on Embedded Systems and VLSI (EMVL 2023)
- International Conference on Security & Applications (SECURA 2023)
- International Conference on Artificial Intelligence and IoT (AIIoT 2023)
- International Conference on Education & Technology (EDUT 2023)
- International Conference on NLP & Signal Processing (NLPSIG 2023)
